

### Mission 8

## Use the Zoom function!

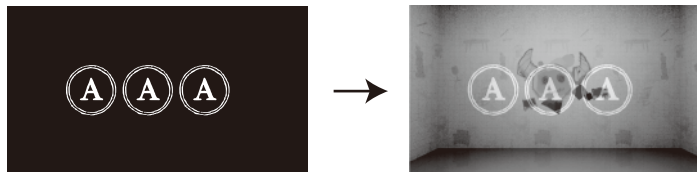

These seem like normal buttons, but... **Zoom**

Push and hold the Z key to zoom.  
Also, the Left Click is the same function.

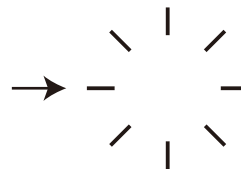

### How to Cancel a Magic Spell

Calmly press the Delete or Backspace keys to cancel it.

If you make a mistake while casting a spell, you will lose time.

### Mission 9

## Link symbols to the buttons.

Write in the answers!

### Mission 10

## Spells are infinitely reusable

The time you have to see through things is limited, so split tasks for efficiency when playing with two or more players.

### Final Mission

## Hints are always at your fingertips!

The floor plans sometimes have hints on them. Have you seen the picture to the left somewhere before?
