

### Mission 3

Find the spell in this room.

## U N U S

Input this word while holding the space key down.

### Mission 4

Read the spell left to right.

### Mission 5

What's the meaning of these numbers?

The numbers written above the buttons seem to be related to the magic spell's order...

### Mission 6

A loong magic spell! (Up to 8 characters)

Magic spells can be 1 to 8 characters long.

### Mission 7

Let's look at our feet.

Hints are hidden everywhere in rooms, so don't forget to look down at your feet and above your head!

#### Hint!

Once you know a spell's name, write it down so you don't forget!

#### Hint!

The spaces indicate the spell's length.
